

Appl. No. 09/871,775
Amdt. dated December 16, 2004
Reply to Office Action of Sept. 16, 2004

AMENDMENT TO THE SPECIFICATION:

**Please insert the following paragraph, describing between lines 16 and 17
on page 5 of the Application:**

Figure 4 - illustrates a representative block diagram of an apparatus used to measure the amount of time the processor actually uses to execute a function, as the function is applied to a particular instance and time period.
